Reflections from Hell

My mother tried to
switch me at birth.

Today I made the worst
of a great situation.

Happiness
is overrated.

I'm thinking of hiring
assistants to vent for me.

The pesticides for my
family tree
obviously failed.

Fortunately for me,
most of my exes'
orgasms happened
with me out of the room.

If you feel ill
at ease in your own skin
get it tailored.

Nothing makes sense
when I try
to figure it out.

I used to think that
tropical depressions
were my relatives in
Florida.

I used Viagra once
and got a four hour
cowlick.

I burn calories by
worrying in place.

My shrink is so burned
from our sessions
she now blames her
own childhood on me.

I've been to the
mountaintop and got
bit by red ants.

My parents didn't want
to get a divorce
until they passed away.
